

Thank you and welcome!

The Food Bank is pleased to welcome Victory in Christ Ministries as a partner agency. By becoming a member of our network, you are joining a successful community partnership. We need your help to provide enough food to our hungry neighbors.

As a partner of the Food Bank, your agency will be able to access a variety of food sources, network with other service providers in your area, and participate in some or all of our unique programs and resources.

We are excited and positive that together we will be better able to combat the issue of hunger in your community. Should you have any questions or concerns, please feel free to reach out to your County Relationship Manager who will be happy to assist you and/or receive feedback about our work and the work you do.

Thank you again for joining us in the fight against hunger.
